When to Make Payment

If there is a balance due on the LP's, LLP's, or REMIC's 2006 tax return, send form FTB 3587 with the payment to FTB.

To avoid late payment penalties and interest, 100% of the tax liability must be paid by the 15th day of the 4th month following the close of the taxable year.

Note: When the due date falls on a weekend or holiday, the deadline to file and pay without penalty is extended to the next business day.

Penalties and Interest

An extension of time to file a return is not an extension of time to pay the tax. If the entity fails to pay its total tax liability by the due date of the tax return, a late payment penalty and interest will be added to the tax due. To avoid late payment penalties and interest, the tax liability must be paid by the 15th day of the 4th month, following the close of the taxable year.
